WATCHUNG GIANT, ID.

PLANTS \$5.00 Net. ROOTS \$10.00 Net.

Here is truly a giant dahlia without being coarse or clumsy. It is a very creditable addition to the Watchung Introductions and I prophesy old Sunrise will have a strong competitor for popularity. The color is a beautiful light definite yellow with a warm suffusion of rose. It is a very sturdy dahlia and foliage, stem and habit excellent.

WRITE-UPS:

The American Home: "Watchung Giant is really a border-line variety between informal and formal. It is a delightful color, light cadmium yellow with warm suffusion of rose. Big and strong, a nice addition to the autumn color range."

The Flower Grower: (Very much the same as that of the American Home).

WATCHUNG JEWEL (St. C.)

PLANTS \$5.00 Net. ROOTS \$10.00 Net.

This dahlia was shown in New York Show as Watchung Star, which was an error, it should have been Watchung Jewel.

Here is a type B dahlia that is a jewel and what is more it will be to the Florist especially even more than Jean Kerr, which is stating a lot. It is better than Jersey's Dainty. It is a perfectly formed white straight cactus flower about four inches in diameter and a good bloomer, indispensable for floral work.

The stock of this variety is very limited and there is a possibility of it being withheld entirely.

WATCHUNG QUEEN, I.D.

PLANTS \$2.50. ROOTS \$5.00.

Here is a novelty dahlia introduced at less than the usual price not because it is of less value but because it is a yellow dahlia and a very excellent one blooming 8 x 4 inch flowers on excellent stems and foliage. This is another of the Watchungs that was exhibited in the New York Show, quoted in the A.D.S. Bulletin, "Watchung varieties that will bear watching."
